Baby Clothes Checklist

- 6 x body suits and / or singlets. I prefer body suits as they dont ride up. You can buy sleeveless body suits for warmer weather.

- 6 x long sleeved sleep suits / grow suits
- 2 x booties
- Sunhat if needed
- 2 x cotton hats
- 2 x mittens
- 3 x socks - consider choosing one colour as with the number of socks you loose it's easier to pair up and you don't have odd socks.

- 6 x bibs / newborn
- 1 x baby jacket, jumper or cardigan (depending on weather)
